

Pupil premium strategy / self-evaluation

1. Summary information			
School	Bailey Green Primary School		
Academic Year	2020-2021	Total PP budget	£151,845
Total number of pupils	420 exc Nursery and Bailey's Butterflies	Number of pupils eligible for PP	135

2. Current attainment (17 children) based on the cohort 2018 – 2019 – no change in last SATs data due to covid	
% achieving expected standard or above in reading, writing & maths	88%
% making expected progress in reading (as measured in the school)	100%
% making expected progress in writing (as measured in the school)	88%
% making expected progress in mathematics (as measured in the school)	100%
% making expected progress in SPAG (as measured in the school)	100%
3. Barriers to future attainment (for pupils eligible for PP)	
Academic barriers (issues to be addressed in school, such as poor oral language skills)	
<p>A. School context of deprivation: Our school context of deprivation means that there are a large number of families facing social and economic challenge. Our school deprivation indicator (IDACI) is 0.2 (decile 4) our present year 4 children show a high percentage of deprivation.</p>	

We have an IMD of 5 (score 21.6), 1% of our pupils which is (4 pupils live in decile 1) which is the most deprived area nationally, 25% of our pupils which is (121 pupils live in decile 2) and in the most deprived areas nationally and a further 24% (112 pupils living in decile 3)

B. Social care needs: Our school has a large number of families being supported by outside agencies including social care and family support workers. Many of our families need support to help them address their needs and to support their children learning. We include Children’s welfare at every staff meeting to ensure we don’t miss any families requiring some support.

C. Attainment on entry:

	C & L	PSED
22 –36 emerging		2%
22 –36 developing		7%
22 –36 secure	7%	13%
30-50 emerging	21%	18%
30-50 developing	50%	45%
30-50 secure	5%	13%
40-60 emerging	3%	2%

Additional barriers (including issues which also require action outside school, such as low attendance rates)

D. Additional needs of parents: Families requiring support with children’s behaviour at home, money concerns, mental health, difficulties with parenting at home – split families.

4. Intended outcomes (specific outcomes and how they will be measured)

Success criteria

A. Maintain attainment and progress in writing at the end of KS2 2021

Pupils eligible for PP in Year 6 make rapid progress so that most pupils eligible for PP make age related expectations by the end of KS2 and all have made at least good progress from their starting points

B. Improve Greater Depth writers across the school and ensure all children make good progress in writing

Pupils eligible for PP across the school make good to outstanding progress in writing thus making our GDW scores at least National average or above

C. To track attendance of children who are being highlighted from the Census	Analyse attendance information from census and address any issues
D. To support the emotional and welfare of our children	Provide children with activities to support them using the Thrive Project materials
E. To improve the attainment of PP children to ensure that they achieve expected attainment above or in-line with national average in science	Pupils eligible for PP across the school make good to outstanding progress in science thus making our scores at least National average or above
