### **Mission Statement**

We aim to make our school and nursery a welcoming and friendly place to be so that children can be happy in our nursery and in school. We want them to enjoy learning, reach their full potential and we will nurture their health and emotional well-being at all times. We will provide a stimulating learning environment and a variety of exciting opportunities and experiences within a broad and balanced curriculum. We aim to give children the best possible start to their education by developing their curiosity, imagination and desire to learn. Each child is valued as an individual irrespective of their race, gender, culture or sexual orientation.

### **Our Values**

Our key values were chosen with staff, children and governors. Across the 4 values, happiness threads throughout as we believe happiness is the key to success.

TEAMWORK

1. At Bailey Green and Bailey's Butterflies we RESPECT our friends, teachers, visitors and all adults who work in our school and the wider community. We have very high expectations of behaviour and good manners and take pride in everything and all we do.
2. Our aim is for all children to experience SUCCESS whether this is academic, through sport or the arts, and to support them in their positive well-being to ensure they leave Bailey Green prepared for life.
3. We strive to provide a range of stimulating experiences which allow our children to express their CREATIVITY, enabling them to explore, wonder and develop a sense of curiosity about the world.
4. TEAMWORK is at the heart of all we do. We see ourselves as being one big family at Bailey Green - a family who knows each other well and works together, ensuring that everyone achieves their true potential.
